# Will Your Brakes Pass A Rigid Test For Safety??

A nation-wide "Brake Testing Campaign" will be held from April 15 to June 1. This campaign is being instituted by the National Association of Police Chiefs and police officers in every city and town in the country will take part in this safety campaign.

### HOW ARE YOUR BRAKES?

If an officer should stop you on the road today to test your brakes, would you be embarrassed because they are not properly adjusted or need repair? It may happen to you.

### SPECIAL BRAKE SERVICE

We have a complete stock of brake repairs for Chevrolet and Ford cars, and beginning now and continuing through the campaign we are giving special attention to brake service. If yours need repair or adjustment, remember we will give "PRI-ORITY" to brake jobs.

## So the city folks have done it! Well, watch our speed!

WORD comes from Washington that the fat-salvage problem has got to be licked in the small cities, the

We women have to save enough used fats in our kitchens to help make munitions, medicines, fabrics, soap for military and civilian use, and many other essentials.

The job, to date, has been done largely by city people, because arrangements for collecting the fats were made in the cities first. Now we're called on. And will we meet our goal? Just watch our speed! HOW TO DO IT: Scrape broiler and roasting pans, skim

soups and gravies. Melt down meat trimmings and table scraps. Add the liquid fat to your salvage can. Take the can to your butcher when full. He will give you two red points and up to four cents for every pound. If you have any difficulty, call your County Agent. This message has been approved by WFA and OPA and paid for by Industry.
